1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Paul J.

Skwierawski(US 32,173) on 01-20-03.

The application has been amended as follows:

In claim 12, line 9, " a node to" is now—a node connected to—.

2. The following changes to the drawings have been approved by the examiner and agreed upon by applicant:

Figures 12 and 13 should be labeled as " Prior Art" . In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

3. The following is an examiner's statement of reasons for allowance: The examiner could not find fair suggestion in the prior art for the VCO circuit as claimed with the oscillator arranged between a first and third node with first capacitive element between the first and third node as well as a second capacitive element with a node connected to the second capacitive element...a source of a first MOS being connected to the second node and the drain connected to the third node....

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled " Comments on Statement of Reasons for Allowance."
